If I experience any pain or discomfort during this session, I will immediately inform the therapist so that the pressure and/or strokes may be adjusted to my level of comfort. I further understand that massage should not be construed as a substitute for medical examination, diagnosis, or treatment. I understand that massage therapists are not qualified to perform spinal or skeletal adjustments, diagnoses, give prescriptions, or treat any physical or mental illness. - ☐ If at any point during the massage I am uncomfortable or uneasy with the procedures being administered and/or I experience pain, I understand it is my responsibility to IMMEDIATELY inform the massage therapist, so that the procedure can be adjusted to a level of comfort or terminated.
- ☐ I further understand that massage therapy is not a substitute for diagnosis and treatment by a medical or osteopathic doctor. What we discuss is not a replacement for their advice. I understand that the massage therapy scope of practice does not include spinal adjustments or the use of drugs, diet or exercise.
